

Like a Pen (Radio Edit)

The Knife

Sharpen my body like a pen
Come on I need to show it
Something too small for a lense
If I rub it if I wipe it Guiding with one single hand
Nothing's wrong you like the feeling
I am all over the land
Come on I need to show it Back on the mountain again
I was standing watching seasons
You're now my only friend
I'm too heavy, I'm the burden Sitting and picking on myself
It's a shiny, shiny morning
And when the light finds my eye
I'll be fleeting like a scent
