Baby Be Mine

White Lion

If I crossed a thousand oceans and rode a million miles
I would still be far away from you
If I climbed the highest mountain and dove the deepest sea
Then would I find you waiting there for me
And if only you could hear me
Yeah and if you could see me
Baby be mine, baby be mine
Baby be mine, baby be mine
If I wrote a hundred love songs and they were all for you
Then would you realize my love was true
If I gave you pearls and diamonds and showered you with vine
Then would there be a chance that you'd be mine

'Cause if I could only hold you
And if you would be
Baby be mine, baby be mine
Baby be mine, baby be mine
Yeah if I could only hold you
And if you would be mine
Baby be mine, baby be mine
Baby be mine, baby be mine
Baby be mine, baby be mine
Baby be mine, baby be mine
