Food In The Belly

Xavier Rudd

So go but be kind
You have luck on your side
Born into a family with food in their bellies
And a car for them to drivePeople sleeping on the concrete
Still smile behind their signs
So go now be happy and be free
You have so much timeIf you go chances are you'll come again
If you come chances are you'll go
So be mellow let it flow let it bend
I'll see you somewhere at the endSo go but be kind...
