Colombian Necktie

Murder Corporation

When I get loaded, I gotta go off!Don't call it a safety
Don't call it half-cockedIt's more like an ashcan
It's more like a time bomb
Its more like a stovepipe
Colombian Necktie!I don't wanna die
So I can give her the worksDon't call it a safety
Don't call it a ripcord!It's more like an ashcan
More like a time bomb
More like a stovepipe
Colombian Necktie!I don't wanna die
So I can give her the worksWhen I get loaded, gotta go off!Don't call it a safety
Don't call it half-cockedMore like an ashcan
More like a time bomb
More like a stovepipe
Colombian Necktie!
