

The Meaning of It All

[Delta Rae](#)

If I asked you to remember
Why we set out on this road
You gonna fight me or surrender
That it wasn't all my fault Cause you're breaking down and I can tell it's deep
There's a tidal wave that's rushing towards the beach
But your anger has such beauty underneath
And we all want love, yeah we all want love There's no end to what we're feeling
Just some breaks along the way
I get so caught up in the meaning of it all
While my heart just wants to crave
So breathe, darling, breathe in deep
Come on, breathe, darling, breathe in deep for me Cause I'm breaking down and I can tell it's deep
I try to dream about the future when I dream
But I can't bury that sad kid I used to be
Cause we all want love, yeah we all want love
Cause we're breaking down and I can tell it's deep
There's a tidal wave that's rushing towards the beach
But you know I'll be there waiting
With my arms outstretched to reach for you, my love
Cause we all want love, yeah we all want love
Yeah we all want love, yeah we all want love
