

I Wish You Were There

Reo Speedwagon

I know a place where you can go
When you're flyin' high or layin' low
And I've got the time, I've got plenty to spare
Yes I've got the time and I've got the place
I just wish you were there
I've the will, yeah to have you around
Whether you're up, whether you're down
And I know the way to make you shine, ooh yeah
I've got the will and I've got the way
I wish you were mine
Ooh I know a place where you can go
When you're flyin' high or layin' low
And I've got the time, I've got plenty to spare, ooh yeah
Well I've got the time and I've got the place
I wish you were there
Oh I've got the time and I've got the place
I wish you were there
Ooh I wish you were there, I wish you were there
Ooh I wish you were there
