Walk With Love

The Maytals

Walk in love, talk in love
You will ever walk with loveAll my life
Woo, your life
Your life and my life will be much longer
If you really walk in loveI don't mind
I try to live my life
While another man try to take his lifeI will never, never, never weary yet
I will never walk alone, noLive in love
Talk in love, whoa
Walk in love
Walk in love
Walk in loveWalk in love
(Don't down inside my life so strong)
Walk in love
Walk in love
Talk inNever weary, yeaI'm a man
Try to live my whole life
I saw another man try to take his lifeI will never, never, never weary yet
If you walk with love
He will walk in loveWalk in love, walk in love
Walk in love, walk in loveWalk in love, walk in love
Walk in love, walk in loveWalk in love, walk in love
Walk in love, walk in love
