## The Dolmen

Die for your faith, come on  
Die for your faith  
Die for your faith  
Die for your faith  
Die for what you believe in Small group in Cambodia  
Gather in the mud brick room  
Teachers shares The Word  
Then they kneed and pray Communist soldiers storm the door  
Throw the Bible to the floor  
Spit upon this book  
Or you will breath your last One by one they spit and cry  
They're in fear of their lives  
A young girl wipes her Jesus dry  
Shot in the head she dies Die for your faith  
Die for your faith  
Die for your faith  
Die for what you believe in Evil man killing the Christians  
Satan gives him the false abuse  
But as he reads the Bible truth  
He converts to the Christian faith Taken to the evil leaders  
He is a disgrace  
Thrown into a slime filled pit  
Eaten by rats for his new faith Come on, let's go, yeah  
Are you ready? Die for your faith  
Die for your faith  
Die for your faith  
Die for what you believe in Preaching man in China  
Taken from his family home  
Thrown into a prison cell  
For no criminal reason Rotting and tortured in his fate  
He will not deny his faith  
He knows the truth of Christian ways  
No brutal force will make him change Let me hear you, yeah  
Die for your faith, here we go Die for your faith  
Die for your faith  
Die for your faith  
Die for what you believe in Die for your faith  
Die for your faith
