

# Shady Lady

## Iron Butterfly

She stayed time's queen in a darkened scene  
She's a bad dealer whip on a bad dealer trip But that's my lady, my shady lady  
She's a mean like sour cream  
Talking about my baby, oh my shady baby I know I gotta try though I don't why  
To help her see that the sun gonna shine  
No that the sun, that the sun gonna shine  
Where it's shady and it never went there She's my butterfly, she don't bother me Woah that's my lady, yeah my  
shady baby  
Talking about my baby Yes that's his lady, he show thinks his lady's fine  
Yes that's his baby, he show thinks his baby's fine  
Talking about my lady, that's what they are  
They're talking about my shady baby.  
Yeah she's a star, shady lady
