

# Now & Forever

Drake

It's over, yeah it's over yeah, I'm leaving, I'm gone  
I can't stay here no more and I can't sleep on the floor  
Man, I'm leaving, I'm leaving, you know I got my reasons  
Yeah I'm leaving, yeah I'm leaving, yeah I'm leaving, I'm gone  
I'm leaving, I'm gone  
I had to knock down the wall  
Yeah I swear to god that I'm gone  
I'm leaving, I'm leaving  
No looking back when I'm gone  
No more It's over, yeah it's over, yeah I'm leaving, I'm gone  
I've been doing this wrong, I've been here for too long  
Yeah I'm leaving, I'm leaving, you know I got my reasons  
Yeah I'm leaving, I'm leaving, I'm leaving, I'm gone  
I don't wanna miss the boat, I don't wanna sit in coach  
I don't wanna sit at home, I gotta get where I'm going  
I'm afraid I'mma die before I get where I'm going  
I know I'mma be alone  
I know I'm out on my own  
I just gotta hit the road  
I just gotta know the road  
I just gotta hit a road  
I just gotta know the road Something is said, don't say that again  
I just been out and bad from way back when  
I can't be out here on no laid back shit  
You got something to say, then say that thing  
I just been out and bad from way back when  
I gotta get on the road, I gotta get on the road  
I ain't looking back no more, no, no, no  
No more I gotta go out and get, want you to know what I did  
Want you to know how it went  
That's why I keep telling you over and over again  
Just let me go  
Just let me go, let me bring it home to you  
Now and forever, I'll bring it home to you  
Just let me go, let me bring it home  
Let me go, let me bring it home to you  
Let me go, let me bring it home  
Now and forever, I'll bring it home to you  
Let me go, let me bring it home to you

Now and forever, I'll bring it home
