 Keep gettin' gifts from Santa Claus at the North Pole
Today I'm icy, but I'm prayin' for some more snow Let that ho-ho, let that ho know (he in love...)
 He in love with that coco Why these bitches don't never be learnin'?
 You bitches will never get what I be earnin'
 I'm still gettin' plaques, from my records that's urban
Ain't gotta rely on top 40, I am a Rap legend Just go ask the Kings of Rap
 Who is the Queen and things of that
 Nature? Look at my finger
That is a glacier, hits like a laser... Drippin' on that work, trippin' off that perc
 Flippin' up my skirt and I be whippin' all that work
 Takin' trips with all them ki's, car keys got B's
Stingin' with the Queen Bey and we be whippin' all of that D'Cause we dope girls we flawless
 We the poster girls for all this
 We run around with them ballers
Only real niggas in my call list I'm the big kahuna, go let them whores know
