

It's Not Right

Devo

Baby, baby, baby hurt me bad
Baby, baby
Baby, baby made me cry
Baby, I wanna die Somebody tell me where she's hiding out
I gotta find that cheatin' gal
Can't go, can't go, can't go sleep at night
Can't sleep, can't sleep, it's not right
Sunlight, sunlight in my eyes
Sunlight makes me rise I can't sleep until my baby says it's over
I gotta hear it face to face
I love you darlin' it's a cryin' shame
The way you run around like you're in a big game
I'm so unhappy I could cry every time I think about you
Boo hoo Baby, baby, baby please come back
Baby, baby
Sunlight sunlight in my eyes
Sunlight makes me rise I can't sleep until my baby says it's over
I gotta hear it face to face
I love you darlin' it's a cryin' shame
The way you run around like you're in a big game
I shoot around in a trance all day and think about you
All the time I love you darlin', it's a cryin' shame
The way you run around
Like you're in a big game
It's so unfair that you're so happy
When I'm hurtin' inside I love you darlin', it's a cryin' shame
The way you run around
Like you're in a big game
I'm so unhappy I could cry
Every time I think about you, boo hoo
