

# Take Me Away

## Quiet One

I see you fall down,  
Back against the floor,  
Your eyes are rolling, your pulse just starts to stall,  
And Iâ€™m sorry my dear but I,  
Canâ€™t save you this time,

You made me feel like,  
I could never be numb again,  
You made me feel like,  
I just have a friend,  
And Iâ€™m sorry my dear, but I.  
Canâ€™t turn out the light, when Iâ€™m alone.

So take me away,  
From here,  
Take me away,  
From here,  
Please take me away,  
From here,  
So I donâ€™t feel so alone,

And this is the way I write my songs now,  
I donâ€™t scream and I donâ€™t shout,  
Youâ€™ve turned me into something,  
That Iâ€™m not quite sure about,  
And I love the way that you,  
Love the way that I care,

I know that I have been quite horrible in truth,  
I never meant to say these things that I sometimes say to you,  
And Iâ€™m sorry my dear, but I,  
Wonâ€™t turn out the light when Iâ€™m alone.

So take me away,  
From here,  
Take me away,  
From here,  
Please take me away,  
From here,

So I don't feel so alone!

And I'll fly,  
All through the sky,  
So i can feel your body,  
Burn  
Like mine does too,

So take me away,  
With you  
Take me away,  
With you  
Please take me away,  
With you

So I don't feel so alone!  
So I don't feel so alone!  
So I don't feel so alone!  
So I don't feel so alone!  
Alone...
