Welcome To The Rave

The Courteeners

It's always darkest before dawn
They ripped the bloody roof off
Yeah you could say the place was torn
But this city's view is slanted
Did we take our dreams for granted?
Are the walls falling all around us?
Or can we be saved?Because I'm feeling like I'm leaving everything behind
I'm feeling like I'm leaving everything behind
The sun is ours to find..So how do you want to live?
I've got a pass for Aladdins Cave a
Are you coming with?
Swear you'll never look back into the sun
It's good to have you back
Your bones are flying now
Welcome to the raveAnd I'm feeling like I'm leaving everything behind
And I'm feeling like I'm leaving everything behind
The sun is ours to find.
