

# Sad Eyes

Stu Larsen

I don't like the things you don't say  
Leavin' it for such a long, long time  
Why do you show me those sad, sad eyes  
Each time you decide to pass on by  
And when you smile those sad eyes  
Look sadder and sadder still  
Autumn's hue in those sad eyes  
Makes me love and love them more  
I'll have a bath, I'll make the dinner  
And then I'll go wait for a long, long time  
But still you've not passed my door  
And when you smile those sad eyes  
Look sadder and sadder still  
I can tell that you're lonely but it seems now  
There's nothing you want me to do  
So I won't try to take the sadness  
From those eyes that I love  
Leave it open for someone else to  
And when you smile those sad eyes  
Look sadder and sadder still  
Trying to hold it together  
Keep my love as light as a feather  
Sad eyes, baby, it's been such a long time  
Keep my heart breaking in the dark  
Come and spend the night  
Sad eyes [Incomprehensible] hold it together  
(Sad eyes, oh)  
Keep my love as light as a feather  
(Sad eyes)  
Sad eyes, baby, it's been such a long time  
(Sad eyes)  
Keep my heart breaking in the dark  
Come and spend the night  
Sad eyes  
Sad eyes  
Sad eyes
