

# Golden Parachutes

## Hawthorne Heights

When the cold and the dark collide  
There'll be nothing left for us to hide  
And as we search for the other side  
We'll fighting another war inside As the white flags begin to fly  
Still fight until we... Die for the golden parachutes  
It isn't your life that's left to lose  
Because you gave it all away  
What else can I say  
In a world that's upside down  
Where were you when I hit the ground?  
In a world that's upside down  
This will all come back around  
You'll be on your own  
You'll be all alone  
When this all comes back around When the cities have turned to dust  
There'll be nothing left for us to trust  
And as we search through the ash and rust  
We will be fighting another war in disgust
