

Back To Love

Bilal

Tired of all these wars, dwelling in the past
Searching for the honesty and all that jazz
What are we here for, what are we doing?
Last time I checked, I thought it was ruined
Giiiirl and we not think of me and you
And all the things that we've been through
Going doing a step and back
To view the bitch, I'm hoping for a brighter day
Giiiirl
Jumping in the sky somehow, we got stuck
How do we get back, down to us, oh?
How do we get back to love?
Back to love, back to love
Baby, back to love
Back to love, back to love
How do we get back to love?
Baby, come here!
Let me kiss your temple, breath in your in
And cool you down and get at your suitcase
Let's take a trip!
Call at the job and tell them you're sick
Making reservations back to love

Your happiness is what I'm for!
..down to Spain
Into Morocco, Marrakesh
Take off the flesh, keep it fresh
Decompress, we've come so faaar!
Wanna get back to love
We get back to love
How do we get back to looove?
Baby, back to love!
We get back to love
How do we get back to looove?
Like the fruit that falls from the trees
Stronger than the rose that grows from the concrete
Oh, oh, oh, oh
We can pass in the light of the sun
Feel the love around us

Oh, oh, oh, oh
Baby, back to love!
We get back to love
How do we get back to looove?
Yeah girl, back to
How do we get back to love?
How do we get back to looove?
