

# Mercy

## OneRepublic

Angel of mercy, how did you find me?  
Where did you read my story?  
Pulled from the papers, desperate and hardened  
Seeking a momentary fix All I wanted to say, all I wanted to do  
Has fallen apart now  
All I wanted to feel, I wanted to love  
It's all my fault now  
A tragedy I fear Angel of mercy, how did you find me?  
How did you pick me up again?  
Angel of mercy, how did you move me?  
Why am I on my feet again?  
And I see you, whoa  
And I feel you, whoa Fortress of daylight, caught me on standby  
Waiting to catch the quickest plane  
Fly me to nowhere, it's better than somewhere  
That's where I've been and nothing's changed All I wanted to say, all I wanted to do  
Has fallen apart now  
All I wanted to feel  
I wanted to love, it's all my fault now  
A tragedy for sure Angel of mercy, how did you find me?  
How did you pick me up again?  
Angel of mercy, how did you move me?  
Why am I on my feet again?  
And I see you, whoa  
And I feel you, whoa I'm so lost in you  
A tragedy it seemed to be, but what now?  
What now?  
A tragedy it seemed to be, but what now? Angel of mercy, how did you find me?  
How did you pick me up again?  
Angel of mercy, how did you move me?  
Why am I on my feet again?  
And I see you, whoa  
And I feel you, whoa  
I feel you, whoa  
I feel you, whoa
