

Complicated Girl

Varsity Fanclub

What it is? Let's go
Lemme get, get, get that chick
Lemme get, get, get that chick
Lemme get get get that chick
Get that chick, get that chick
Lemme get, get, get that chick
Lemme get, get, get that chick
Lemme get get get that chick
Get that chick, get that chick
I think I gotta get yo head right
Loosen up, you're so tight
Baby come on, let me inside
You got me lost inside your circus
You got me feeling nervous
Baby, come on, come on
She says this, she means that
Then she's not calling me back
I keep going in circles
Around and around
She gets hot, she gets cold
And when she puts us on hold
My whole world, whole world, whole world
Gets caught up in this complicated girl
Lemme get, get, get that chick
Lemme get, get, get that chick
Lemme get, get, get that chick
Gets caught up in this complicated girl
Lemme get, get, get that chick
Lemme get, get, get that chick
Lemme get, get, get that chick
Gets caught up in this complicated girl
Girl, how you run this operation
I'm losin' all my patience
Baby, c'mon [Incomprehensible]
The time has come, make a decision
Show me what I'm missing
Baby, c'mon, c'mon
She says this, she means that
Then she's not calling me back

I keep going in circles
Around and around

She gets hot, she gets cold
But when she puts us on hold
My whole world, whole world, whole world
Gets caught up in this complicated girl
Complex, complex, I'm not your ex
You're complicated, she's so complicated
Complex, complex, I'm not your ex
You're complicated to me
Let me get ya' shorty yo' body
You can meet me in the lobby
Lemme get, get, get, get, get that chick
Get, get, get, get, get that chick
Let me get ya' shorty yo' body
You can meet me in the lobby
Lemme get, get, get, get, get that chick
Get, get, get, get, get that chick
She says this, she means that
Then she's not calling me back

I keep going in circles
Around and around

She gets hot, she gets cold
And when she puts us on hold
My whole world, whole world, whole world
Gets caught up in this complicated girl
She says this, she means that
Then she's not calling me back

I keep going in circles
Around and around

She gets hot, she gets cold
And when she puts us on hold
My whole world, whole world, whole world
Gets caught up in this complicated girl
Lemme get, get, get that chick
Lemme get, get, get that chick
Lemme get, get, get that chick
Gets caught up in this complicated girl
Lemme get, get, get that chick
Lemme get, get, get that chick
Lemme get, get, get that chick
Gets caught up in this complicated girl
