If There Is Something

[Roxy Music](#)

If there is something that I might find
Look around corners try to find peace of mind I say
Where would you go if you were me
Try to keep a straight course not easy
Somebody special looking at me a certain reaction we find
What should it try to be I mean
If there are many meaning the same
Be specific just a gameI would do anything for you
I would climb mountains
I would swim all the oceans blue
I would walk a thousand miles
Reveal my secrets more than enough for me to share
I would put roses round our door
Sit in the garden growing potatoes by the scoreShake your hair girl with your ponytail takes me right back
(When you were young)
Throw your precious gifts into the air watch them fall down
(When you were young)
Lift up your feet and put them on the ground you used to walk upon
(When you were young)
Lift up your feet and put them on the ground the hills are higher
(When you were young)Lift up your feet and put them on the ground the trees were taller
(When you were young)
Lift up your feet and put them on the ground the grass was greener
(When you were young)
Lift up your feet and put them on the ground you used to walk upon
(When you were young)
