

# Gangsta (feat. Souljah and Yung Marc)

## Various Artists

I need a gangsta to love me better  
Then all the others do  
To always forgive me  
Ride or die with me  
That just what gangsters do  
I'm fucked up, i'm black and blue  
I'm built for it.all abuse  
I got secrets.that nobody.nobody.nobody knows  
I'm good on.that pussy shit  
I don't want.what i can get  
I want someone.whit secrets  
That nobody.nobody.nobody knows  
I need a gangsta to love me better  
Then all the others do  
To always forgive me  
Ride or die with me  
Thats just whats gangsters do  
I'm freakness in on the loose  
And running.all over you  
Please take me to places.that nobody.nobody goes  
You got me hooked up on the feeling  
You got me hanging from the ceiling  
Got me up so high i'm barely breathing  
So don't let me, don't let me, don't le me, don't let me go  
I need a gangsta to love me better  
Then all the others do  
To always forgive me  
Ride or die with me  
That just what gangsters do
