

# Heart and Hope to Die

## Tristen

Stand your ground  
Storm the field  
Grant you...  
Ohh nooo, are you  
Ohhhh noooo, are you backing down  
It goes...  
Storm the field  
Do you know  
What is lurking?  
Know what it takes to  
Show me how your daddy and your mama made you  
Show me how your daddy and your mama made you...Heart and hope to die  
Heart and hope to die  
I'm not going to cry this time  
For your love  
Ahhhh ahhhh  
For your loveStand your ground  
Ante up  
Grant you  
Ohhhh, no, are you  
Ohhhh, no, are you backing down?  
It goes... No regrets  
Do you know what is lurking?  
Know what it takes to  
Show me how your daddy and your mama made you  
Show me how your daddy and your mama made you  
Show me how your daddy and your mama made youHeart and hope to die  
Heart and hope to die  
I'm not going to cry this time  
For your love  
Ahhhh ahhhh  
For your love
