Come Back and Stay

Paul Young

Since you've been gone
I shut my eyes
And I fantasize
That you're here with meWill you ever return?
I wont be satisfied
'Till you're by my side
Don't wait any longerWhy don't you come back?
Please hurry
Why don't you come back?
Please hurryCome back and stay for good this time
Come back and stay for good this timeYou said goodbye
I was trying to hide
What I felt inside
Until you passed me byYou said you'd return
You said that you'd be mine
'Till the end of time
Don't wait any longerWhy don't you come back?
Please hurry
Why don't you come back?
Please hurryCome back and stay for good this time
Come back and stay for good this timeSince you've been gone
Opened my eyes
And I realize
What we had togetherWill you ever return?
I'll have you change your mind
If you won't stay mine just love me forever
Love me foreverWhy don't you come back?
Please hurry
Why don't you come back?
Please hurry
Why don't you come back?
Please hurry
Why don't you come back?
Please hurryJust come back and stay for good this time
Come back and stay for good this time
Come back and stay for good this time
Come back and stay for good this time
Don't ever leave me
