

# Nothing's Gonna Change My Love for You

Glenn Medeiros

If I had to live my life without you near me  
The days would all be empty  
The nights would seem so long, with you I see forever  
Oh, so clearly, I might have been in love beforeBut it never felt this strong  
Our dreams are young and we both know  
They'll take us where we want to goHold me now  
Touch me now  
I don't want to live without youNothing's gonna change my love for you  
You ought to know by now how much I love you  
One thing you can be sure of  
I'll never ask for more than your loveNothing's gonna change my love for you  
You ought to know how much I love you  
The world may change my whole life through but  
Nothing's gonna change my love for youIf the road ahead is not so easy  
Our love will lead the way for us  
Like a guiding star  
I'll be there for you if you should need meYou don't have to change a thing  
I love you just the way you are  
So come with me and share the view  
I'll help you see forever tooHold me now  
Touch me now  
I don't want to live without youNothing's gonna change my love for you  
You ought to know by now how much I love you  
One thing you can be sure of  
I'll never ask for more than your loveNothing's gonna change my love for you  
You ought to know how much I love you  
The world may change my whole life through but  
Nothing's gonna change my love for you
