

# Like Acid Rain

## Unknown Mortal Orchestra

La la la yeah Jesus doesn't know my name  
He charge me fifty bucks a gram (Woowoo)  
Snort don't smoke  
Smoke don't shoot that ope  
Dwight dissolved in acid rain (Baba baba baba)  
Tears are falling down Messed with Polly and Marie  
Took some xany and addy (Woowoo)  
Does this mean you'll never blow me again?  
Love dissolved in acid rain (Uh-uh uh-uh uh-uh)  
Tears are falling down La la la yeah You and I are doomed to burn  
Like white people in the sun (Woowoo)  
Proxy man, drinkin a blood and sand  
I'll dissolve in acid rain (Baba baba baba)  
Tears are falling down La la la yeah
