Stars Die

Porcupine Tree

The moon shook and curled up like gentle fire
The ocean glazed and melted wire
Voices buzzed in spiral eyes
Stars dived in blinding skies
Stars die
Blinding skies
Tree cracked and mountain cried
Bridges broke and window sighed
Cells grew up and rivers burst
Sound obscured and sense reversed
Stars die
Blinding skies
Idle mind and severed soul
Silent nerves and begging bowl
Shallow haze to blast a way
Hyper sleep to end the day
Stars die
Blinding skies
