

# No Kind of Superstar

Weston

Tried all my life to be a round peg round hole guy  
I was always way to square  
I kept waking up on the bus in my underwear[Chorus]  
Always one step off always one beat behind  
With my sneakers or dumb hair  
Will I ever get there  
I know I'll never be the  
Number one that everybody wants to talk to  
I know I'll always be that  
Fat kid on your bus  
Everybodies a jerk too  
A freakin jerk too  
No kind of  
Superstar  
No kind of superstar I was always way to clumsy stupid shy  
I could barely walk much less dance  
I've accepted the fact that I'm a dork  
In human pants[Repeat Chorus x2]
