

Slow Down (Feat Frida Sundemo)

Para One

Don't, don't
Don't go there
I can't hear what I'm thinking
So don't
Please just don't
It is not a beginning
And this is not how it's ending Ahead of me
Ahead of us
You set the pace and don't look back
I get no chance to follow
My legs are tied
The pulse's too high
No need to rush 'cause we've got time
We'll meet halfway if you want to You need to slow down
Wait, you're running too fast
Wait, you're speeding up the past
You see, my heart cannot keep this rate
You need to wait, oh you need to slow down
Wait, you need to slow down
See, my heart cannot beat this fast
Wait, you need to slow down Keep calm
Breathe out, breathe in
It is all ever changing
Feel, feel the blood flow
We had a beginning
So where's our happy ending? Ahead of me
Ahead of us
You set the pace and don't look back
I get no chance to follow
My legs are tied
The pulse's too high
No need to rush 'cause we've got time
We'll meet halfway if you want to You need to slow down
Wait, you're running too fast
Wait, you're speeding up the past
You see, my heart cannot keep this rate
You need to wait, oh you need to slow down
Wait, you need to slow down
See, my heart cannot beat this fast
