

Cledus' Christmas Ball

Cledus T. Judd

Ho ho ho ho ho, ho ho ho ho ho ho
And what do you want for Christmas little Sam?
I want the Billy Gilman action figure What about you Suzie?
I want the Grand Old Opry nativity scene
And what about you Cledus? Well, Santa it's not what I want
It's what I want to give It's Christmas time in Nashville
For country singers one and all
I'm going to give a right nutty party
It's Cledus' Christmas Ball I sent out the invitations
Heck I even rented out the hall
And I've got a big sack full of presents Cledus' Christmas ball Dolly Parton brought two jugs
Of wine everyone admired
Montgomery Gentry spiked the eggnog Chestnut's roasting on an open fire Somebody get Mark off of there
Ah, the twin fiddles are playing'
And it's a sewingin' time for all
Yee haw, everybody's dancin' around Cledus' Christmas ball
Ho ho ho ho ho ho ho ho ho Shania'a under the mistletoe
And that line was slap down the hall
Boy, I hope she enjoys kissin' Cledus' Christmas ball Willie Nelson's homemade brownies
Brought us all good cheer
Garth retired early again But he'll be back next year You can count on that
The party's dyin' down now
So here's my present to you all
Ha ha, come check out my package Cledus' Christmas ball It's a little bitty piece of me to you Cledus' Christmas
ball It's an ornament for your Christmas tree
Cledus' Christmas ball Hey, that's not Santa

The Gambler Hush yer mouth
Merry Christmas from Cledus T. Judd
