Main Man

Dee Dee Ramone I.C.L.C.

You're my main man
When you call my heart goes sailin'
My feet refuse to touch the ground
When you come around
You're my main man
That's what the neighborhood's been sayin'
Even mother knows your name
I'll take your love and never be the same
Oh, you're my main man
I am your only woman
Oh, you're my main man
Forever
You're my main man
Paid the gypsy to keep prayin'
I'll keep a candle lit for love and watch the street
For you from up above
Oh, you're my main man
I am your only woman
Oh, you're my main man
Forever
You're my main man
When you call my heart goes sailin'
I'll keep a candle lit for love and watch the street
For you from up above
Oh, you're my main man
I am your only woman
Oh, you're my main man
And I am your only woman
Oh, you're my main man
And I am your only woman
Baby, you're my main man
Baby, you're my main man
Oh, you're my main man
I am your only woman
