## **Poison Arrow**

## **ABC**

If I were to say to you, can you keep a secret
Would you know just what to do or where to keep it?
Then I say, "I love you", foul the situation
Hey girl, I thought we were the right combinationWho broke my heart, you did, you did
Bow to the target, blame Cupid, Cupid

You think you're smart, stupid, stupidShoot that poison arrow to my heart Shoot that poison arrow

Shoot that poison arrow to my heart

Shoot that poison arrowNo rhythm in cymbals, no tempo in drums

Love on arrival, she comes when she comes

Right on the target but wide of the mark

What I thought was fire was only the sparkThe sweetest melody is an unheard refrain So lower your sights, yeah

But raise your aim, raise your aimWho broke my heart, you did, you did Bow to the target, blame Cupid, Cupid

You think you're smart, stupid, stupidShoot that poison arrow to my heart Shoot that poison arrow

Shoot that poison arrow to my heart

Shoot that poison arrowI thought you loved me, but it seems you don't care
I care enough to know I can never love youWho broke my heart, you did, you did
Bow to the target, blame Cupid

You think you're smart, that's stupid

Right from the start when you knew we would partShoot that poison arrow to my heart Shoot that poison arrow

> Shoot that poison arrow to my heart, heart Shoot that poison arrowHeart, shoot that poison arrow Shoot that poison arrow
