I Tried

Chrishan

Girl Ive got to goIt's like the same complication, the same situation that we had a year ago
Baby girl I'm sick of this debating, sick of all the waiting and I think that it's time to go-woah
Girl you know I've tried, I tried, don't get me wrong,
I would never mean to hurt you in my life, but something just ain't right cause (I tried)Girl you ain't making it easier (I tried)
It ain't the same as it was before, no, (she like) no, (she like) no (she said) go,
I gottah go, I gottah go, I gottah go, I gottah go
(Girl I've got to go, girl I've got to go)And girl you be pushing me to the limit when we are at the mall
You acting like every girl I seen I'm bout to get involved
I can't help it, (no), if I wanted to, if you think somebody treat you better find another girl
Tryna make me bleed, yeah I knew you will, but keep it real,
I'm the one that held you down for two years, thats for real
It's a shame that it happened this way
I didn't want us to go away cause (I tried)Girl you ain't making it easier (I tried)
It ain't the same as it was before, no, (she like) no, (she like) no (she said) go,
I gottah go, I gottah go, I gottah go, I gottah go (Girl I've got to go, girl I've got to go)Everyboday go eh, eh, eh
If you feel me go
If you know what I'm talking bout eh, eh, eh
If you know what I'm talking bout (yayeah)
Everyboday go eh, eh, eh
If you feel me go woah, (everybody go eh, eh,eh,) woah, woah cause (I tried)Girl you ain't making it easier (I tried)
It ain't the same as it was before, no, (she like) no, (she like) no (she said) go,
I gottah go, I gottah go, I gottah go, I gottah go (Girl I've got to go, girl I've got to go)
