

# Where or When

## Frank Sinatra & The Ken Lane Singers

When you're awake the things you think  
Come from the dream you dream  
Thought has wings, and lots of things  
Are seldom what they seem Sometimes you think you've lived before  
All that you live today  
Things you do come back to you  
As though they knew the way Oh the tricks your mind can play  
It seems we stood and talked like this, before  
We looked at each other in the same way then  
But I can't remember where or when The clothes you are wearing are the clothes you wore  
The smile you are smiling you were smiling then  
But I can't remember where or when  
Some things that happened for the first time  
Seem to be happening again And so it seems that we have met before  
And laughed before, and loved before  
But who knows where or when.
