

# The Road to Ensenada

Lyle Lovett

As I lay sick and broken, Viva Mexico  
My eyes just won't stay open  
And I dream a dream of home  
I dream a dream of home Where there's coffee on the table  
And kindness in your hand  
Honey I'll help you when I'm able  
But right now I'm feeling bad  
Right now I'm feeling bad Listen to your heart that beats  
And follow it with both your feet  
And as you walk and as you breathe  
You ain't no friend to me  
You ain't no friend to me The road to Ensenada  
Is plenty wide and fast  
If you head south from Tijuana  
Then I'll see you at last  
I'll see you at last But my eyes they open slowly  
And they look around the room  
The old man he seems worried  
And there ain't no sign of you  
There ain't no sign of you Listen to your heart that beats  
And follow it with both your feet  
And as you walk and as you breathe  
You ain't no friend to me  
You ain't no friend to me You can offer to the righteous  
All the good that you have won  
But down here among the unclean  
All your good just comes undone  
Your good just comes undone Sisters at the borderline  
Only holding out their hands  
They're begging me for something Lord  
Oh, but I don't understand  
I don't understand So it's adios to Alvero  
Tell him to stay between the lines  
And if he sees that Gabriella girl  
Tell her I'll look her up next time  
Say I'll look her up next time Because the road to Ensenada  
Is plenty wide and fast  
And this time through Tijuana  
Well it won't be my last

It won't be my last Listen to your heart that beats  
And follow it with both your feet  
And as you walk and as you breathe  
You ain't no friend to me  
You ain't no friend to me  
Oh, you ain't no friend to me
