

If So (TheFatRat Remix)

Atlas Genius

Everybody's taking what they can but they can't decide
They do what they want to 'cause any kind of feeling is alright
And don't be talking maybe your mama's flying high as a kite
You're just like the next one 'cause we'll be walking lonely tonight, lonely tonight
If so, if so, we know, we'll be coming
If so, if so, we know, we'll be coming
If so, if so, we know, we'll be coming
Everybody's faking like they can, it makes it alright
Tell me what you want to, 'cause I don't know the wrong from the right
Just don't be talking maybe your mama's flying high as a kite
And I just like the next one 'cause we'll be walking lonely tonight, lonely tonight
If so, if so, we know, we'll be coming
If so, if so, we know, we'll be coming
If so, if so, we know, we'll be coming
