

# Please Come Home for Christmas

**Harry Connick, Jr.**

Bells will be ringing, this sad, sad news  
Oh, what a Christmas to have the blues  
My baby's gone, I have no friends  
To wish me greetings once again  
Choirs will be singing 'O Silent Night'  
Christmas carols by candlelight  
Please come home for Christmas  
Please come home for Christmas  
If not for Christmas then by New Year's night  
Friends and relations send salutations  
Sure as the stars shine above  
For this is Christmas, it's Christmas my dear  
It's the time of year to be with the one you love  
So won't you tell me, you'll never more roam  
Christmas and New Year will find you home  
There'll be no more sorrow, no grief and pain  
And I'll be happy once again  
Friends and relations send salutations  
Oh, as sure, as sure as the stars shine above  
For this is Christmas, it's Christmas, my dear  
It's the time of year to spend with the one you love  
Oh, won't you tell me, you'll never roam  
Christmas and New Year will find you home  
There'll be no more sorrow, no grief and pain  
And I'll be happy, happy once again  
Well, well, well, well, alright
