

Obsession

Sky Ferreira

Woah
Woah Listen up I'm gonna' tell you bit about myself
I got a situation, ain't concerning nobody else
Just you and what you can do for me
(Ooh) I had the life of ordinary, I spat it out
Now my condition's kind of scary, I need you now
Not love but I need something else So here's my confession
This time, this time,
Don't just want you to love me
I want to be your obsession
This time, this time,
Want my name on the Marquee I want you (To want me)
I want you (To need me)
I want you
To hear my confession I want to be your Obsession (Whoa) I'll fixate you, till you never let me go
So I can feed your addiction in the stereo,
I could be, just your type of high
(I can give what you like) Your talkin' bout' the narcissism that's in Hollywood,
I'm lovin' myself, but what I need's for you to feel good (let go)
Let the music just take control So here's my confession
This time, this time
Don't just want you to love me
I want to be your obsession
This time, this time
Want my name on the Marquee (Whoa) I want you (To want me)
I want you (To need me)
I want you
To hear my confession I want to be your Obsession
I want to be your Obsession Whoa
Whoa
Whoa Ain't nothing wrong with OCD
Long as it's for me, long as it's for me Ain't nothing wrong with OCD
Long as it's for me, long as it's for me Here's my confession
This time, this time
Don't just want you to love me
I want to be your obsession
This time, this time
Want my name on the Marquee (Whoa) I want you (To want me)
I want you (To need me)

I want you
To hear my confession I want to be your Obsession
I want to be your Obsession
I want to be your Obsession Oooh
