

The Thrill Of It

Kim Wilde

Thinking about what a friend just said
You know nothing good comes easy
You took the thought right from my head
You only seem to tease me Then you turn

(It on again)

Then you turn

(Me on again)

Then I learn the answers to all my questions
Now some thing's taking over It's the thrill of it, the thrill of it

It's the thrill of it

(Turn me on)

It's the thrill of it can you feel it
The thrill of it, it's taking me over Now what am I supposed to do
You know it can't go on much longer

Every time when I'm near you

You know the feelings so much stronger Then you turn

(It on again)

Then you turn

(Me on again)

Then I learn the answers to all my questions
Now some thing's taking over It's the thrill of it, the thrill of it

It's the thrill of it

(Turn me on)

It's the thrill of it can you feel it

The thrill of it It's the thrill of it

(Turn me on)

It's the thrill of it can you feel it

It's taking me over You know it's taking me over

You know it's taking me over Then you turn

(It on again)

Then you turn

(Me on again)

Then I learn the answers to all my questions
Now some thing's taking over It's the thrill of it, the thrill of it

It's the thrill of it

(Turn me on)

It's the thrill of it can you feel it It's the thrill of it

(Turn me on) It's the thrill of it, the thrill of it

It's the thrill of it

(Turn me on)

It's the thrill of it can you feel itIt's the thrill of it

(Turn me on)

It's the thrill of it

(Turn me on)

It's the thrill of it can you feel it
