

# Airplane

Imogen Heap

Drifting though the atmosphere  
And up into space  
Leave behind the moon he's sitting  
In his special place Some flutterbies they enter and they  
Play around in my soul  
And once again part of me  
Fills up to be whole Da da day, just flying in my airplane Peaceful colors everywhere  
Purples and deep blues  
Feeling so at home here, oh  
As if up here i grew It's so beautiful up here now  
Oh, I think I might just stay  
All alone and by myself  
So free and far away Da da day, I'm with my aeroplane I can see heaven, heaven down below  
I look at heaven  
And an angel who I know  
I can see heaven, heaven down below Da da day, I'm with my aeroplane  
Just happy to be me again
