## Babylon Zoo

Spaceman  
I always wanted you to go into space, man  
(Intergalactic Christ)Spaceman  
I always wanted you to go into space, man  
(Intergalactic Christ)Pungent smells  
They consummate my home  
Beyond the black horizon  
Trying to take controlSee my girl  
She shivers in her bones  
The sun and zenith risin'  
Trying to take us allThere's a fire between us  
So where is your God?  
There's a fire between us  
I can't get off the carouselI can't get off the carousel  
I can't get off the carousel  
I can't get off this worldThe sickening taste of homophobic jokes  
Images of fascist folks  
Beam me up 'cause I can't breatheSpaceman  
I always wanted you to go into space, man  
Intergalactic ChristIt's time to terminate  
The great white world  
Morbid fascinations  
Television takes controlDecimation  
Different races fall  
Electronic information  
Tampers with your soulThere's a fire between us  
So where is your God?  
There's a fire between us  
I can't get off the carouselI can't get off the carousel  
I can't get off the carousel  
I can't get of this worldThe sickening taste of homophobic jokes  
Images of fascist folks
