Magic Song

Glasseater

[Skid Row Cover]You're telling me, it's so hard
That i'm not what you thought
Thought that I would be
But little did you know, that i would turn around and leave
And now looking back, i realized that i've lost nothing
I see your face, watching me as i walk away
Leaving you behind
You can't tell me that I'm wrong for doing this
Just add me to your list, pretend you won this game
I'm walking out as I walked in or maybe better
But at least just the same
