Bombing Bastards (feat. Tricky)

Terranova

I'm bombing bastards
Forever after us
Carrying an equation
It's like I'm Asian
You heard fantastic
We cross the Atlantic
They say I'm not normal-a
I'm the kid with the formula
It must be my mind reign
I'll make your back break
And your knees bend
Your sucking me friend
What do we do?
We do the voodoo
I send the energy
To a enemy
And fucking Ronald Reagan
It's 'cause I'm Pagan
Is that you, boy?
I see your decoy
Enter the arena
I'm full of schizophrenia
I lop 'em in a minute
And do the schizofrantic
Stop them poses
'Cause this is what a flow is
Stop them poses
'Cause this is what a flow is
I'm bombing bastards
Forever after us
Carrying an equation
It's like I'm Asian
You heard fantastic
We cross the Atlantic
They say I'm not normal-a
I'm the kid with the formula
Tricky:
It must be my mind reign
I'll make your back break

And your knees bend
Your sucking me friend
What do we do?
We do the voodoo
I send the energy
To a enemy
I'm bombing bastards
Forever after us
I'm bombing bastards
Forever after us
Here come the aliens
We're the aliens
We're the failing ones
Here come the aliens
We're the aliens
We're the failing ones
Here come the aliens
We're the aliens
We're the failing ones
Here come the aliens
We're the aliens
We're the failing ones
