If You're Gone

Matchbox 20

I think I've already lost you
I think you're already gone
I think I'm finally scared now
And you think I'm weak, I think you're wrong
I think you're already leaving
Feels like your hand is on the door
I thought this place was an empire
And now I'm relaxed and I can't be sure
But I think you're so mean, I think we should try
I think I could need this in my life
And I think I'm scared, I think too much
I know it's wrong, it's a problem I'm dealing
If you're gone maybe it's time to come home
There's an awful lot of breathing room but I can hardly move
And if you're gone, baby, you need to come home
'Cause there's a little bit of something me in everything in you
I bet you're hard to get over
I bet the room just won't shine
I bet my hands I can stay here

I bet you need more than you mind
And I think you're so mean, I think we should try
I think I could need this in my life
And I think I'm scared that I know too much
I can't relate and that's a problem I'm feeling
If you're gone maybe it's time to come home
There's an awful lot of breathing room but I can hardly move
If you're gone, baby, you need to come home
There's a little bit of something me in everything in you
I think you're so mean, I think we should try
I think I could need this in my life
And I think I'm scared, do I talk too much
I know it's wrong, it's a problem I'm dealing
If you're gone maybe it's time to come home
There's an awful lot of breathing room but I can hardly move
And if you're gone, yeah, baby, you need to come home
There's a little bit of something me in everything in you
