

# If You're Gone

## Matchbox 20

I think I've already lost you  
I think you're already gone  
I think I'm finally scared now  
And you think I'm weak, I think you're wrong  
I think you're already leaving  
Feels like your hand is on the door  
I thought this place was an empire  
And now I'm relaxed and I can't be sure  
But I think you're so mean, I think we should try  
I think I could need this in my life  
And I think I'm scared, I think too much  
I know it's wrong, it's a problem I'm dealing  
If you're gone maybe it's time to come home  
There's an awful lot of breathing room but I can hardly move  
And if you're gone, baby, you need to come home  
'Cause there's a little bit of something me in everything in you  
I bet you're hard to get over  
I bet the room just won't shine  
I bet my hands I can stay here

I bet you need more than you mind  
And I think you're so mean, I think we should try  
I think I could need this in my life  
And I think I'm scared that I know too much  
I can't relate and that's a problem I'm feeling  
If you're gone maybe it's time to come home  
There's an awful lot of breathing room but I can hardly move  
If you're gone, baby, you need to come home  
There's a little bit of something me in everything in you  
I think you're so mean, I think we should try  
I think I could need this in my life  
And I think I'm scared, do I talk too much  
I know it's wrong, it's a problem I'm dealing  
If you're gone maybe it's time to come home  
There's an awful lot of breathing room but I can hardly move  
And if you're gone, yeah, baby, you need to come home  
There's a little bit of something me in everything in you
