

Ramblin' Rose

[Sonny James](#)

Ramblin' rose ramblin' rose why you ramble no one knows
Wild and wind blown that's how you've grown who can cling to a ramblin' rose
Ramble on ramble on when you're ramblin' days are gone
Who will love you with a love true when you're ramblin' days are gone
Ramblin' rose ramblin' rose why I want
you heaven knows
Though I love you with a love true who can cling to a ramblin' rose
