

# Somewhere

## Anneke van Giersbergen

Lost in the darkness, hoping for a sign

Instead there is only silence

Can't you hear my screams?

Never stop hoping

Need to know where you are

But one thing is for sure

You're always in my heart

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

Lost in the darkness, try to find your way home

I want to embrace you and never let you go

Almost hope you're in heaven

so no one can hurt your soul

Living in agony cause I just do not know

Where you are

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

Wherever you are, I won't stop searching

Whatever it takes, I need to know

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul
