

# Whatever Happened To My Rock 'n' Roll (punk Song)

## Black Rebel Motorcycle Club

1 2 3 4

You want a part of me  
You want the whole thing  
You want to feel something more than I could ever bring  
You want it badly  
You want it tangled  
I want to feel something more than I was strangled  
I fell in love with the sweet sensation  
I gave my heart to a simple chord  
I gave my soul to a new religion  
Whatever happened to you?  
Whatever happened to our rock'n'roll?  
Whatever happened to my rock'n'roll?  
She wants it hallow  
She wants it tainted  
She wants to feel something more than she was naked  
You want to hide away  
You're scared to touch it  
I want to feel something more than I care to take

I fell in love with the sweet sensation  
I gave my heart to a simple chord  
I gave my soul to a new religion  
Whatever happened to you?  
Whatever happened to our rock'n'roll?  
Whatever happened to my rock'n'roll?  
She wants your image  
She wants your kiss  
She wants to get inside your head and tell it like it is  
You want it badly  
You want it so completely  
I want to feel something more 'cause I can't fuckin' breathe  
I fell in love with the sweet sensation  
I gave my heart to a simple chord  
I gave my soul to a new religion  
Whatever happened to you?  
Whatever happened to our rock'n'roll?  
Whatever happened to my rock'n'roll?
