

August Moon

Waterbone

August Moon, where are you?

August Moon, over the sea

August Moon, where are you?

August Moon, do you believe?In August Moon, let me follow you

In August Moon, let me follow you downAugust Moon, where are you?

August Moon, over the sea

August Moon, where are you?

August Moon, do you believe?In August Moon, let me follow you

In August Moon, let me follow you down

Let me follow you downDown to the Seven Seas, places I'll never be

Down to the Seven Seas, places I, I've never beenAugust Moon, where are you?

August Moon, over the sea

August Moon, where are you?

August Moon, do you believe?In August Moon, let me follow you

In August Moon, let me follow you down

Let me follow you downDown to the Seven Seas, places I'll never be

Down to the Seven Seas, places I'll never be

Down to the Seven Seas, places I, I've never beenAugust Moon, where are you?

August Moon, over the sea

August Moon, where are you?

August Moon, let me believe
