

# Dance With You

## David Kitt

Girl, you got exactly what I need  
I ain't gonna lie with you is where I wanna be  
All up in the club, the finest girl I see  
I know that you want me to come over to you and talk I'm just tryna keep it real with you  
Are you feeling me the way I'm feeling you  
You go call your crew and I'ma call my crew  
'Coz Jay, Rishi Rich and Juggy D are coming through Kurri soni te akh mastani  
Tu giddha de rani, ne gal sun ja  
Tu dil kholeyain te mere man mohleyain  
Te ek galan horiyan, ne gal sun ja Ho mehta tere naal nachnaa  
Ho mehta tere naal nachnaa  
I just wanna dance with you  
Ho mehta tere naal nachnaa  
Nachnaa, nachnaa, nachnaa Girl, what have I told you?  
Been thinking of all the possible lyrical ways  
To come and approach you Haven't been able to think of anything  
Other than wanting to reach ya  
I ain't tryna speech ya  
I ain't gonna use any lyrics to impress ya A gentleman from the start  
I'll get you a drink at the bar  
Thinking I'm making you tickle and laugh  
Telling me you wanna head to the car If it's alright with you then it's alright with me  
So get your coat 'coz tonight you're leaving with me Now I've got you in my ride  
Tell me what's on your mind  
Shall we continue moving on, cruising on Girl, we're heading to my home  
(We're heading to my home)  
We'll take it nice and slow  
(Take it nice and slow)  
And I will show you what it is I wanna do  
(But only if you dare) Ho mehta tere naal nachnaa  
Ho mehta tere naal nachnaa  
I just wanna dance with you  
Ho mehta tere naal nachnaa  
Nachnaa, nachnaa, nachnaa I just want you next to me  
A lil' taste of ecstasy  
Tomorrow you'll be texting me  
You know it's true Girl, if you just roll with me  
Maybe get to know with me  
If you wanna maybe come on home with me

And we can do whatever you wanna doHo mehta tere naal nachnaa  
Ho mehta tere naal nachnaa  
I just wanna dance with you  
Ho mehta tere naal nachnaa  
Nachnaa, nachnaa, nachnaaHo mehta tere naal nachnaa  
Ho mehta tere naal nachnaa  
I just wanna dance with you  
Ho mehta tere naal nachnaa  
Nachnaa, nachnaa, nachnaa
