

When The Stars Go Blue

The Corrs

Dancin' where the stars go blue
Dancin' where the evenin' fell
Dancin' in your wooden shoes
In a wedding gownDancin' out on 7th street
Dancin' through the underground
Dancin' little marionette
Are you happy now?Where do you go when you're lonely?
Where do you go when you're blue?
Where do you go when you're lonely?
I'll follow youWhen the stars go blue, blue
When the stars go blue, blue
When the stars go blue, blue
When the stars go blueLaughing with your pretty mouth
Laughing with your broken eyes
Laughing with your lover's tongue
In a lullabyWhere do you go when you're lonely?
Where do you go when you're blue?
Where do you go when you're lonely?
I'll follow youWhen the stars go blue, blue
When the stars go blue
When the stars, when the stars go blue
When the stars go blueWhen the stars go blue, blue
Stars go blue
When the stars go blueWhere do you go when you're lonely?
Where do you go when you're blue? Yeah
Where do you go when you're lonely?
I'll follow youI'll follow you, I'll follow you
I'll follow you, I'll follow you, yeah yeahWhere do you go? Where do you go?
Where do you go? Where do you go?
